TO: General Goodpastor, SHAPE Belgium  
FROM: Henry A. Kissinger, The White House  
REF: SHAPE 0929

I will have some specific items for you to discuss with General Fourquet for your meeting in mid-April although the principle topics would more correctly fall within your U.S. command role. My plan is to discuss them with you at the time we meet, as laid out in the memo Mr. McMannis delivered to you. In that regard I am very ~~grateful~~ that you will be able to adjust your schedule to meet my needs. I look forward to seeing you. Best regards.
